

Ocean State Parrot Head Club

You Had to Be There.....

Members Meeting Minutes – October 12, 2017

Davenport, East Providence

Donations for the U.S. Virgin Islands were sent to Sandy. Our club receives cash donations of \$235 as well as several gift cards. Unfortunately lots of the residents are leaving the island, probably permanently due to loss of homes and jobs.

OSPHC is holding a Meat Raffle on November 5th at the Tri City ELKS club in Warwick. We need volunteers at 12pm to help setup, cleanup, runners and 50/50 raffle sales. Proceeds of this fundraiser will go to a veteran's group and the ELKS charity. We have fliers to advertise the event, if you could help put a few up please contact Charlene. The festivities will begin around 1pm.

The Fall Fun Day was lots of fun! Look for a similar event next year. Hope to see everyone there! Look out for information about a spring event also!

The results are in and so far \$1797.50 was raised by our team for the Alzheimer's Walk.

Our December Member Meeting will be our annual Christmas Party! Appetizers, pizza and desserts will be provided. We will be having an ornament making contest. Put your creativity to work and make the best holiday ornament out of RED SOLO CUPS. Don't forget to bring a gift for the swap!

Wreaths Across America is on Saturday, December 16th. Volunteers are needed for this amazing event. Look for a message with details coming soon. Following this event everyone is invited to Charlene's house for a holiday party and cookie swap.

NWPHC Halloween Dance update: there are still a few tickets available. Contact Linda Bollea for tickets. If you are attending, please remember to bring your food donation for the Salvation Army...you will get free raffle tickets for your donations.

MOTM is still expected to take place the first week of November. We discussed what this may look like since most of the Keys were devastated by the hurricane. Good news the Casa Marina weathered the storm pretty well and will be ready in time for MOTM!

Member Points update: the BOD had decided to remove the ability for members to get points for donations they make to charities outside of the club fundraising. Sorry for an confusion this may cause.

There will be no Member Meeting in November.

Our next meeting will be on **Thursday, December 14th** at Davenport's in East Providence.
